"5"

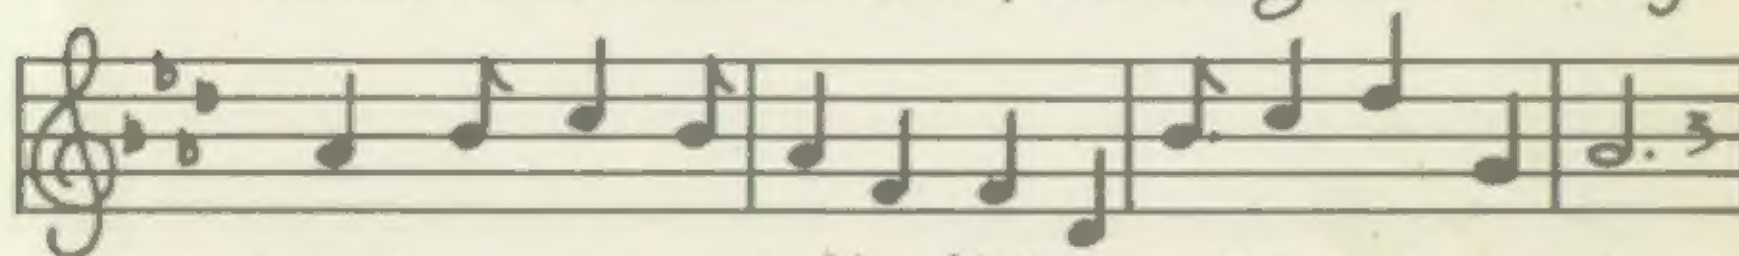

To you, students of Forrest City High School, the Corral extends an invitation--an invitation to go with us through this picture book of memories. You will find throughout the Corral memories of your favorite teachers and some of the dearest friends you've ever known. Into your hands we place this as a reminder of your year 1950-51.

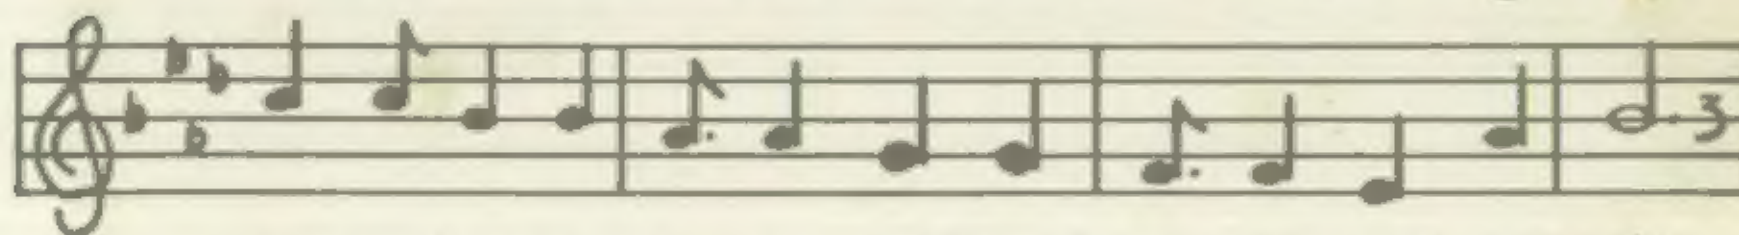

ALMA MATER

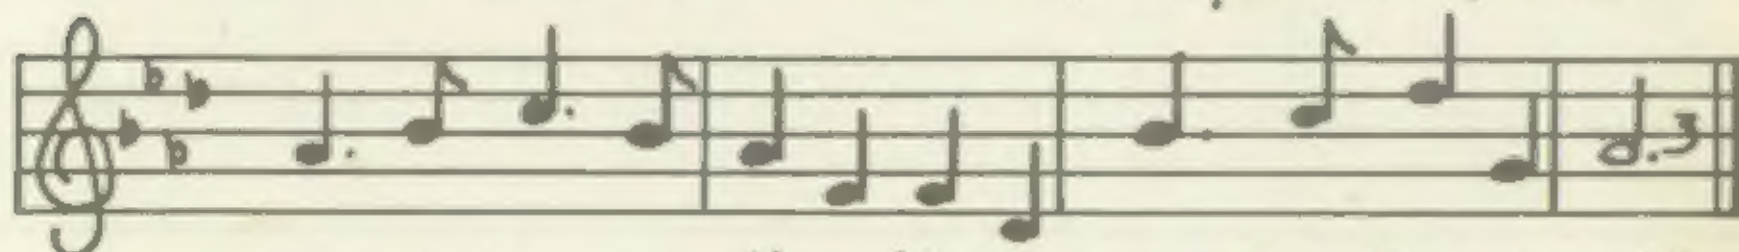

On the cities northern border, reared against the sky

Stands our dear old Alma Mater, as the years go by.

Forward ever be our watchword, conquer and prevail

Here's to thee our Alma Mater, Forrest City Highall hail!

Dedication

In recognition of his thirteen years of faithful service as principal of Forrest City High School, this 1951 Edition of the Corral is sincerely and gratefully dedicated to Lewis C. Hawley. His loyalty, cheerfulness, and efficiency have endeared him to the students, parents, and citizens of Forrest City.

FORREST CITY HIGH SCHOOLS

1000 KATLYN PARK

FORREST CITY, ARKANSAS

MAY 10, 1950

Dear Friends,

It is the hope of the administration of Forrest City High School to have a school where you will find life pleasant and profitable.

We have many things of which we are proud. In our building, home, we will find it as in pictures. We will book keep to preserve them in your memory for years to come.

General assistance to the Forrest City and it sponsors for producing such a fine book. You have done well and well.

As we go to see thanks to the new year and international year of Forrest City. Giving a generous contribution to the school within the school. Forrest City High School approval. After this very year.

Sincerely yours,

James E. Bunchley

THE FORREST CITY HIGH SCHOOL BAND

The F.C.H.S. Band of 1934-1935 is one of the best in the history of the school. The membership is composed of the most talented and enthusiastic students in the school.

The band performs at all school and public affairs, including the city and county fairs, festivals, dances, and plays, and is a source of pride to the school.

We, the faculty, the administration, and the student body, may be justly proud of the Mustang Band.

Wesley C. Jones, Principal; Mrs. W. C. Jones, Secretary; J. L. Montgomery, Captain; and Rev. J. L. Montgomery, Director.

Bobby Harmon, Manager.

QUILL AND SCROLL

QUILL AND SCROLL Journalism, as sponsored by Quill and Scroll, is a highly fascinating intellectual adventure, a challenge to the mind and discipline to the hand.

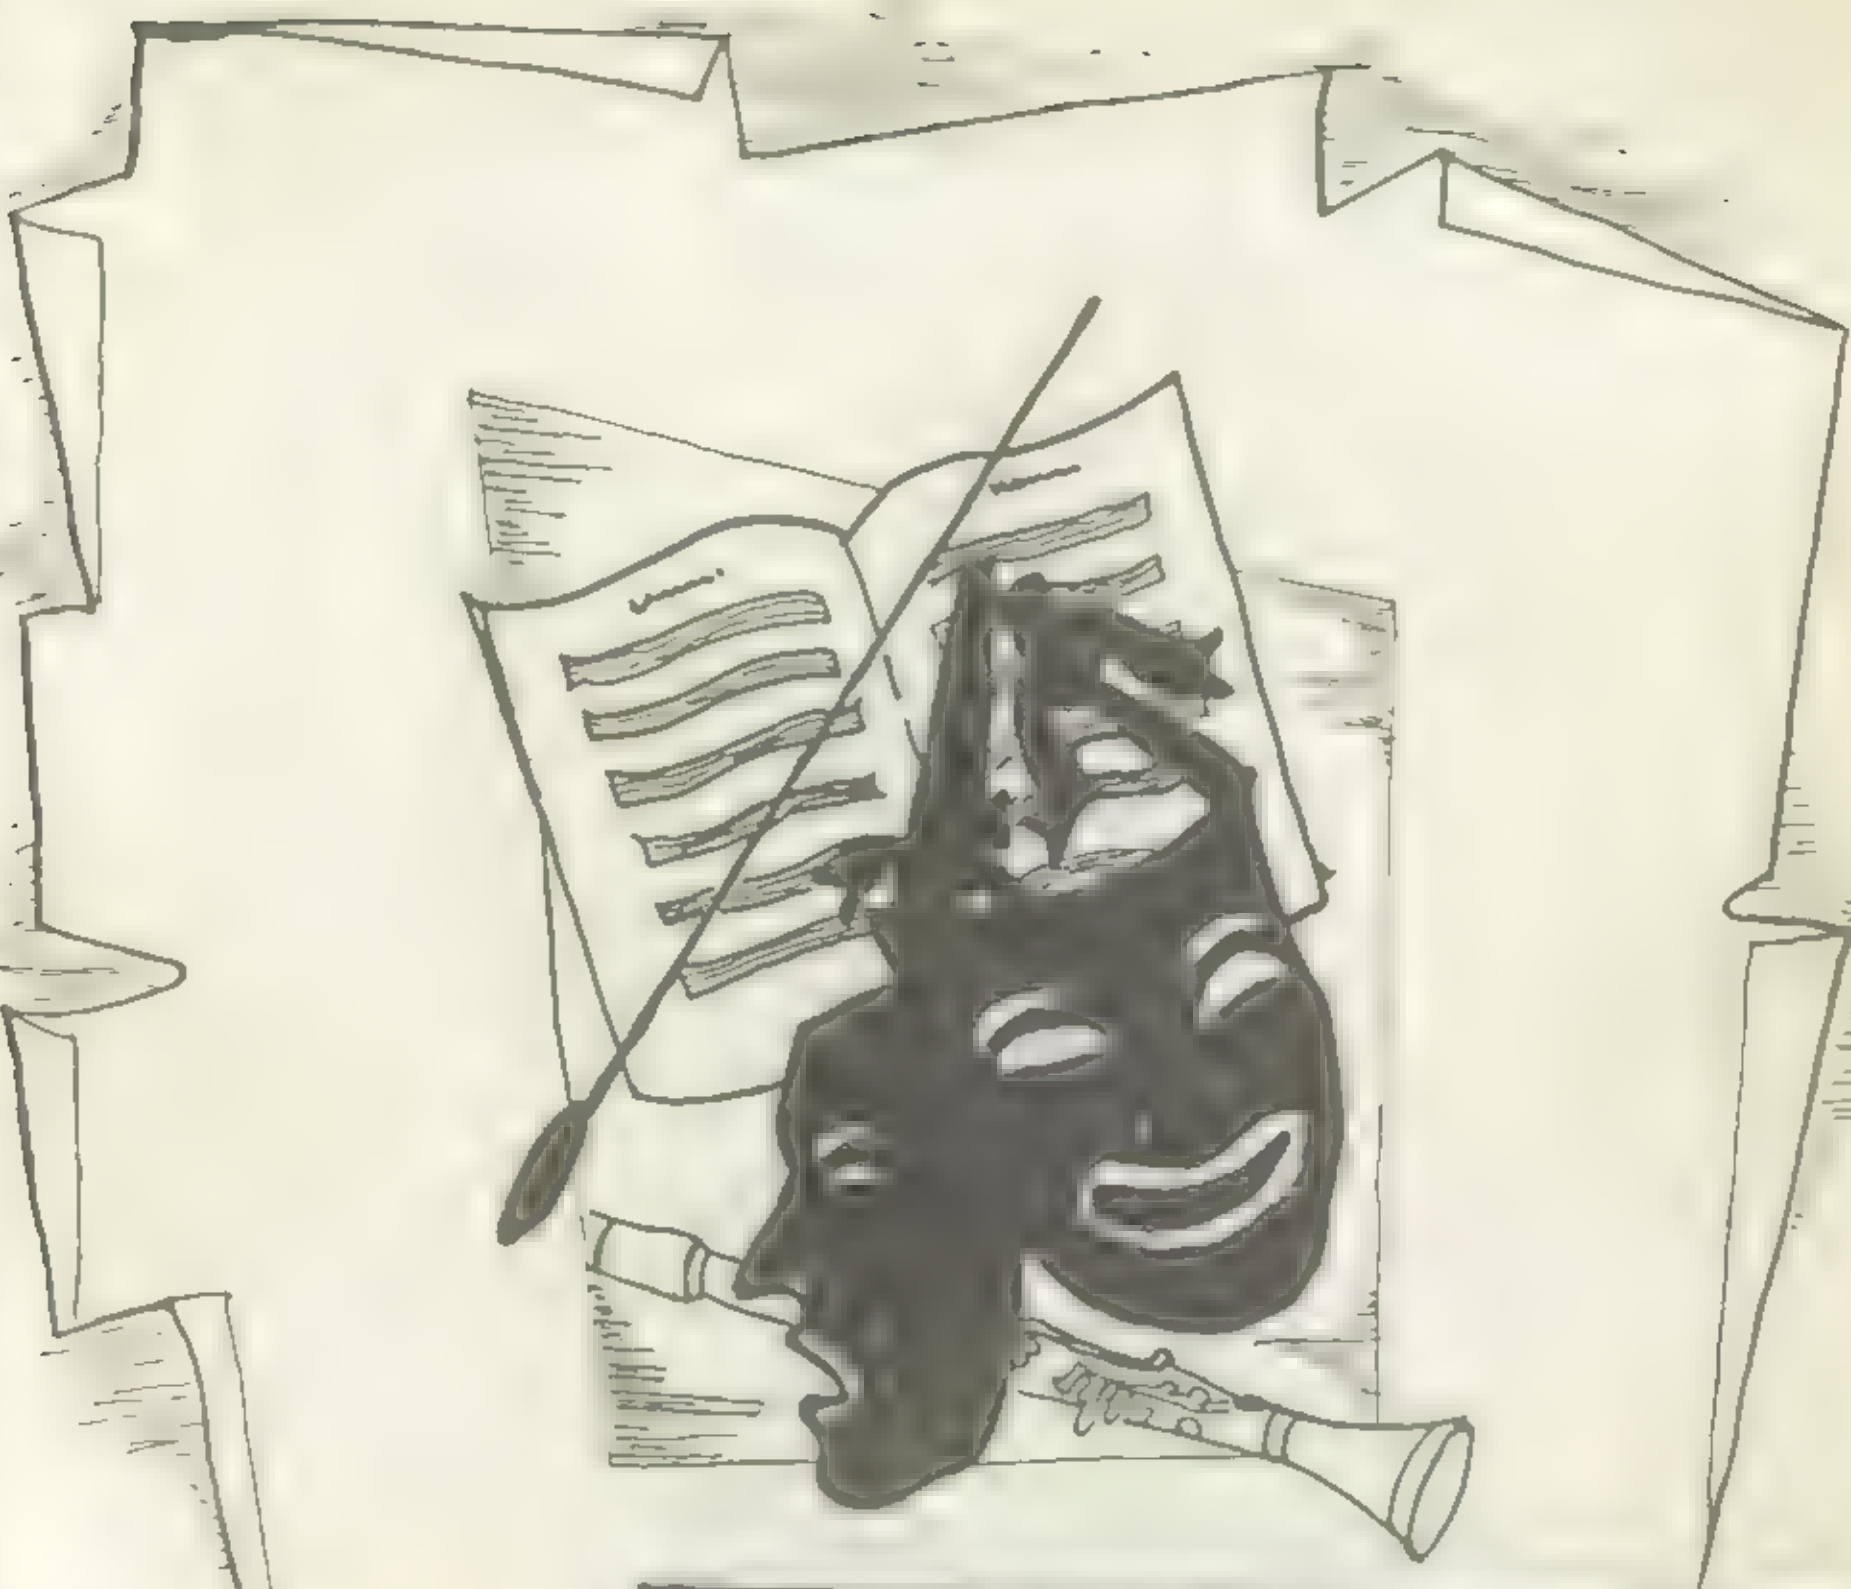

Members are from the upper brackets of their class and must have done superior work in some phase of journalistic, creative endeavor.

THE LETTERMEN'S CLUB

Membership in the Forreast City High School's Lettermen's Club is confined to those boys who have won a varsity letter.

To promote good feeling among the players and to improve the status of the athletic teams are the objectives of the organization.

These four trophies have been won in the past two years by the athletic clubs of Forreast City High School.

SENIOR GIRLS' BASKETBALL

Doris Busby, Mgr., Henrietta Parkman, Dorothy Barksdale, Frances Luttrell, Mena Fleming, Julia Nimmers, Helen Gore, Coach Wayne Campbell

Madison Higgs, Delores Parry, Ernestine Vickers, Celia Jones, Barbara Christian, Billie McCarroll, and Jordan

Each of these girls contribute to the success of our team not only those who played in the games but also those who were faithful in coming to practice every day. Without the co-operation of each of these girls our team could not have been developed into the good team that it is.

This is Coach Campbell's fourth year at Forrest City High School. His previous teams were here and at other schools, have been champions. At the time this book is being printed, the girls show exceptional skill and they are headed for the finals of our tournament.

SENIOR BASKETBALL

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) tend to zero as $t \rightarrow \infty$ if and only if the matrix A is Hurwitz. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow 0$. It is shown that the solutions of the system (1) tend to zero as $t \rightarrow 0$ if and only if the matrix A is Hurwitz.

I have been thinking about you a great deal lately.

I hope you are well and happy.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

The tax assessor is not responsible for the
preparation of the tax return, but he is
responsible for the collection of the tax.
